

Strengths of 2022- 2023

Year 2 loved using an atlas to find different countries in Europe. We looked at where we are in the world.

Year 5 have made a great start to the new year. Here's a picture of them trying really hard with their metacognition this morning!

Reception have settled in so well to the Brownlow Fold family. We explored the book 'Find your Happy' and with involvement from our parents we built a rainbow sharing all the things that make us feel happy! 🌈

This afternoon Year 4 had great fun creating their own mosaic pictures. In class they have been looking at the work of Sharra Frank and Roman mosaics. They created fish, butterflies, a flamingo and even a rainbow.

For our Growth Mindset day Year Three have been talking about the differences between having a Growth and Fixed Mindset. We have been learning how to change our words and our behaviour so that we can have a Growth Mindset

Year 6 have been learning all about The Titanic in history. Whilst ordering the timeline of events leading up to the ship sinking, there was some excellent debate around who was to blame for the loss of so many lives.

**Today Year 4 have been celebrating Growth Mindset Day.
What type of mindset do you have?**

Today Year 4 have been celebrating Growth Mindset Day. What type of mindset do you have?

Year 1 have been doing some outside learning this afternoon, exploring autumnal leaves to develop our vocabulary for writing poems.

Year Three have been developing their skills in PE this morning. They had to work as a TEAM, fantastic work

Reception have explored the 'Active learning' aspect of our characteristics of effective learning as part of Growth Mindset day. We learnt about perseverance and not giving up! We have been learning like the Very Hungry Caterpillar!

Year 6 thought about their Growth Mindset last week and how to encourage others to fix their own. They created some excellent presentations.

Super Science in Year Three this afternoon, investigating rocks.

Can the children share their observations at home, what type of rock did they investigate? Was it hard, soft, did they see crystals, did they observe any layers, was it permeable?

Thank you to all Year 4 parents for sending in food donations for our Harvest assembly. Urban Outreach will be very grateful.

Year 6 celebrated Black History Month by creating a piece of artwork based around an inspirational figure.

Year Three have really enjoyed learning about the artist Alma Thomas this afternoon, look at how her art inspired our art

Something exciting is happening on the KS1 playground this week. Out with the old in with the new.

Year 4 have enjoyed creating art work for Black History month with Mrs Bradbury, inspired by the artist Reggie Laurent #Artsmark #BlackHistoryMonth

Ready to award this term's Golden Ticket winners 🏆
#readingforpleasure

Here is our finished Year Three class masterpiece inspired by Alma Thomas #Artsmark #Blackhistorymonth2022

Year Three have been very busy during #Blackhistorymonth, focusing on the work and life of Rosa Parks and Alma Thomas.
Can they share their learning with you at home?

Year 2 look the part. Now, we cannot wait for the Battle Of The Bands later.
@TTRockStars

Year 2 enjoyed competing in the battle of the bands! Rock on! Thank you to the Year 6 who helped us out.

Reception have enjoyed celebrating Black History Month this October. We have enjoyed sharing stories such as 'The Proudest Blue' and 'The Story about Afiya' we also explored the beautiful quilt work from the Gee Bend community in Alabama. Here we are creating our own.

Great gardeners in year three but our weeding work is never quite done!

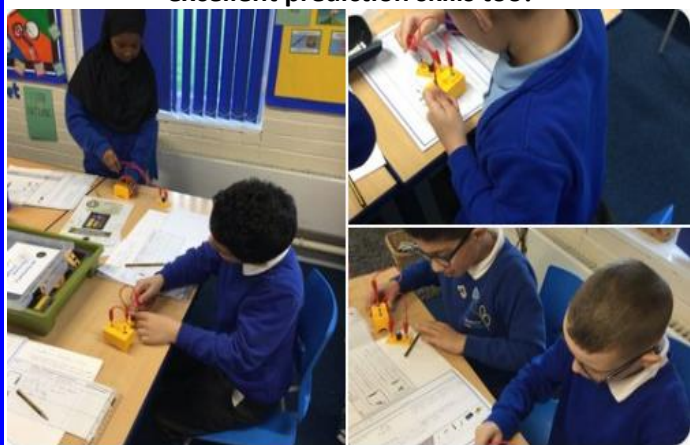

Year 6 worked hard with our Artist in Residence Mrs Bradbury, to produce their Christmas cards. We are excited that they will be sent out to people across Bolton as part Bolton at Home's hamper scheme.
@Artsmarkaward @boltonathome

Year Three are being very creative this afternoon to create some special cards
@boltonathome
#Artsmark

Super scientists in Year 4 have been testing to see if complete and incomplete circuits work. They have suggested how they can change components to make the circuits complete and they have demonstrated excellent prediction skills too!

Nursery and Reception have had a great day learning all about hedgehogs. We had a visit from the Hedgehogs trust and learnt all sorts of amazing facts about them. Did you know they have over 7000 spikes on their body! We met Elsie the Hedgehog who was very sleepy.

Year 5 have enjoyed working with our Artist in Residence, Mrs. Bradbury, to produce Christmas cards for @boltonathome which will be sent out with hampers to people across Bolton this Christmas. We think they've done a brilliant job! @Artsmarkaward

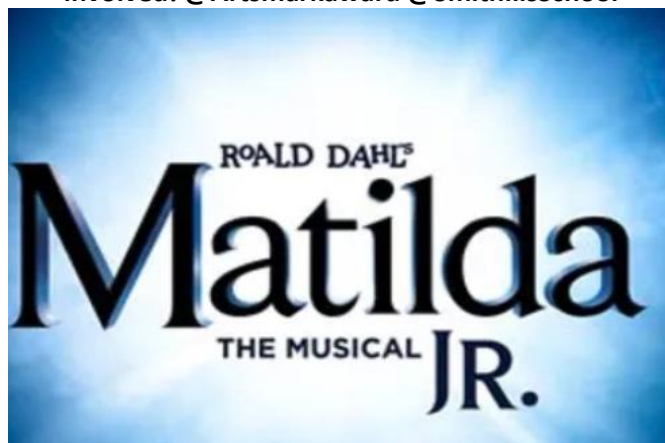

This year's Anti-bullying theme is 'Reach out.' Year 4 have looked at scenarios and discussed how victims and observers can reach out to stop bullying. They have recorded their ideas onto their own arms and these will be displayed in school. #AntiBullyingWeek
#CelebrateArtsmark

Year Three have been discussing this year's theme of Reach Out for Anti Bullying week and we have joined in with Odd Socks Day #AntiBullyingWeek #OddSocksDay

Year 6 really enjoyed Matilda at Smithills School today. They were inspired to see such wonderful performances and hear about what being involved in the arts can do for young people. Well done to those involved! @Artsmarkaward @SmithillsSchool

Year 4 have enjoyed making their Christmas cards with Mrs Bradbury. The children created line drawings of bears in Christmas jumpers! The cards will be sent out with Christmas hampers by Bolton Council, to residents across Bolton @boltonathome@Artsmarkaward

Reception loved celebrating odd socks day this week!

Year Three have been amazing in our workshop this morning, using drama to express our emotions #AntiBullyingWeek

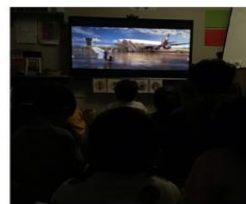

Reception children have enjoyed their morning learning about Children in need!

Year Three have really enjoyed watching Onward this afternoon
#intofilmfestival

Reception enjoying popcorn whilst watching Onward as part of the #intofilmfestival

Year 4 had a very special visitor today...Teddy came for cuddles and he showed us his clever tricks! Who knew that he loves eating cheese? Please come to see us again soon
Teddy

Wow! Look at Year 4 wearing their red and white clothes to celebrate England's first Football World Cup match today. Come on England!

Year 4 have been learning how to balance using points and patches. They worked in groups to create gymnastic sequences. Take a look

Year 2 enjoyed taking part in the anti-bullying workshop #ReachOut

Year 1 have had a fantastic day today. We have taken part in an anti-bullying workshop, watched a film and had popcorn for the Film Festival and completed activities for Children in Need. Thank you to everyone who has donated money.

Our yoga session today was incredible. We now feel relaxed and refreshed. We have learnt how to use breathing techniques as a strategy for dealing with any worries @Artsmarkaward

Thank you to Beth for helping us stretch our body and clear our minds.

Science challenge in Year Three this afternoon, which Magnet is the strongest? How can we test this? What are our predictions? What did we find out?

What a fabulous morning Year 4 have had baking cakes to sell at our school Winter Fair. We used maths skills, developed team working skills and had a whole lot of fun! The smell down the corridors is divine 😊 Excited to get creative when decorating them tomorrow.

@Artsmarkaward

Head boy and girl were proud to hand over our Christmas cards to @boltonathome today. We hope they brighten someone's Christmas this year! @Artsmarkaward

Year Three getting reindeer ready for our Winter Fair tomorrow

EYFS are all set for the Winter Fair! ❄️ We hope to see you there after school today! ❄️

Year 6 have loved making snow slime to sell at this year's Winter Fayre. They carefully decorated each pot to look like a snowman's face. We hope they raise lots of money!

We've had a fun week in year 6 making snow slime to be sold at the Winter fair! The children enjoyed using their art skills to decorate each pot to look like a snowman. We are looking forward to discovering how much money our slime raised for the school. [LRI]

@Artsmarkaward

**Year Three enjoyed being creative with their Reindeer Magic for our Winter Fair
@Artsmarkaward**

Our Winter fair was a great success last night! It was lovely seeing of the products the children have made, sell so well. @Artsmarkaward

Year 5 are loving taking part in the Linking Schools Project this year! #Diversity @Artsmarkaward #linkingschools

Reception have been learning about the library and exploring our favourite books. We have discussed how to care for books, and places where we enjoy to read. We role played in our class library too! We will be visiting Bolton Library in the Spring Term.

Year 4 have created their own melodies on the laptops using 2sequence. They sound great! Good use of pitch and tempo everyone. Well done to our marvellous musicians

👏🎧🔔🎵🎧@artsmarkaward

This week we have loved singing along to the '6 x Table Troopers' song. Learning through song and actions helps us to remember key facts. Next week we're working on our 7x tables. #metacognition

@Artsmarkaward

In Science, Year 4 have created switches and tested to see if they work. 💡🔌👏👏 #STEMeducation

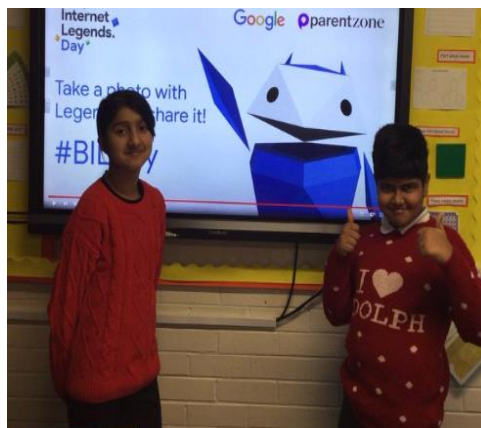

Year Three are watching the Be Internet Legends assembly this morning. We are learning how to keep safe and secure when we are online and be internet kind #BILDday

Year Three are going to legendary and follow the code to keep safe online #BILDay

Year 5 are enjoying both Christmas jumper day and Be Internet Legends Day! #ChristmasJumperDay #BILDay

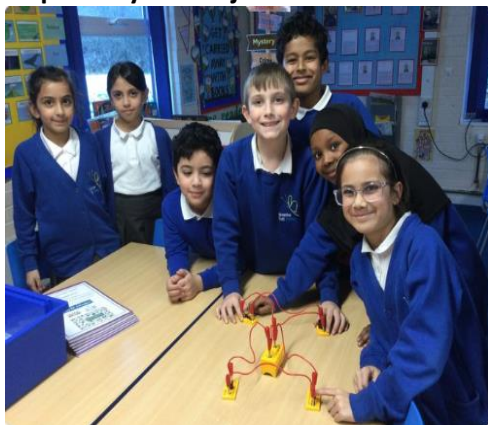

Year Three were inspired by our work with the AMAZING Laura from @BrightLeadersUK that we created our own Suitcase of expectations display, we will miss our Wednesday sessions with you next term

Reception have enjoyed our new text this week, Pick a Pine Tree by Patricia Tort. We decided to have a decorating day to decorate our Christmas tree, just like in the book. 🎄

Wow! These fantastic year 4 children were the first to solve today's Science challenge, to create a circuit which includes a bulb, cell, buzzer, switches and wires. They can switch the buzzer and bulb on together but also separately. Great job #STEMEducation

Wow Year Three!! can hear fantastic French in your conversations.

The whole school loved watching Cinderella yesterday, the girls from Stage-ed were so talented and so inspiring! [LRI] @Artsmarkaward

What a brilliant time year 6 had @FusilierMuseum. A great day out and a brilliant way to round off our WW1 learning @Artsmarkaward

In our DT and Science project, Year 4 are designing robots. In the brief they have been asked to create a sturdy structure so the robot can stand. It must contain a circuit so it lights up and makes a sound. It will include a switch to turn it on/off @artsmarkaward ?💡

Year Three are having a fantastic time in Design Technology, design, investigate, make, evaluate @Artsmarkaward

I hope our chocolates taste as good as they look Year Three! @Artsmarkaward

Here are Y4's fantastic robots. They learnt different joining and finishing techniques. Their team work skills were fabulous. These robots will make great friends for our 'Heartsmart' robot, Boris. #collaborativelearning #teamwork #creativity @Artsmarkaward

Year 6 enjoyed researching, designing, making and (most importantly) EATING their burgers as part of their D&T project.

Well done KS2 on a FANTASTIC Winter Concert. Your singing, speaking, poetry and musical performances were outstanding! @Artsmarkaward

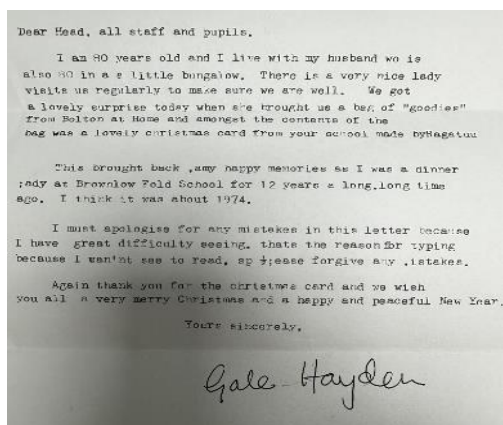

Year 2 have really enjoyed creating their Tudor houses. First, they enjoyed constructing the houses before decoration @Artsmarkaward

Year Three are having an AMAZING time already and we are only doing our warm up with Lancashire Cricket @Artsmarkaward

Children in key stage 2 were so happy to receive a thank you letter from one of the residents of Bolton who had received one of their Christmas cards this year. They were proud that their art had made such a difference @Artsmarkaward

Year 2 have been looking at what humans need to stay healthy. We looked at the different parts of a diet.

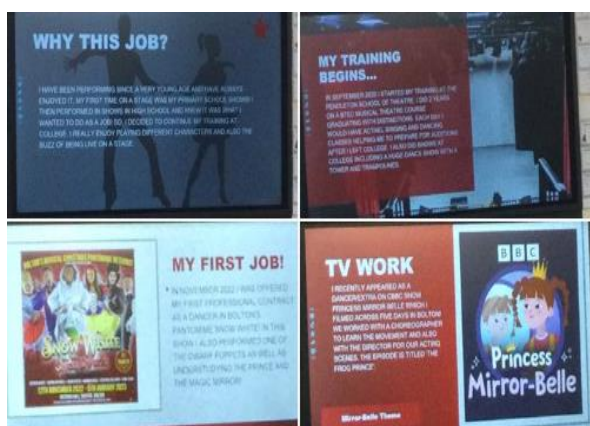

Year 1 and 2 performed excellently on the glockenspiel for glockenspiel club. They tried very hard to keep to the beat given @Artsmarkaward

Year 4 had the most amazing time learning all about the role of a midwife. They weighed babies, measured the circumference of their heads, changed the nappies and listened to their own heartbeats. #careersweek @artsmarkaward

Year 4 enjoyed learning about the career of an actor and listening to our special visitor, Kurtis Greenhalgh. They enjoyed their drama workshop #careers @Artsmarkaward

Year 4 loved learning about the role of a hairdresser. They practised braiding skills and created their own business logos. What a fabulous session with Nicola and Louise. #careers @Artsmarkaward

Year 1 have had a very exciting few days with lots of different visitors who have been talking to us about their careers. We have had a Drafter, a Lawyer and Lecturer, an Actor and Entertainer and finally some Police Officers visited us this morning. We are so lucky! #artsmark

Year Three have loved learning about lots of different careers this week, it has given us lots of inspiration for our future #careers @Artsmarkaward

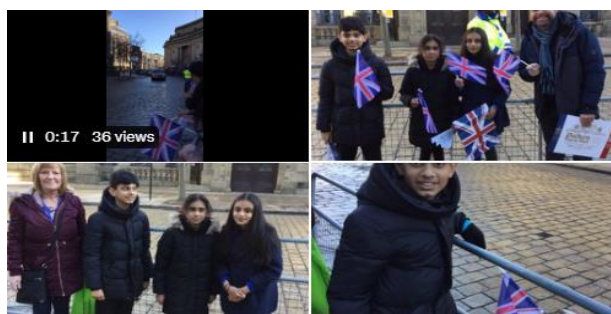

Check out our batting skills in Year Three, we really enjoy our time with Lancashire cricket @Artsmarkaward

For Metacognition day Year Three have been discussing how they learn. What is your learning style?

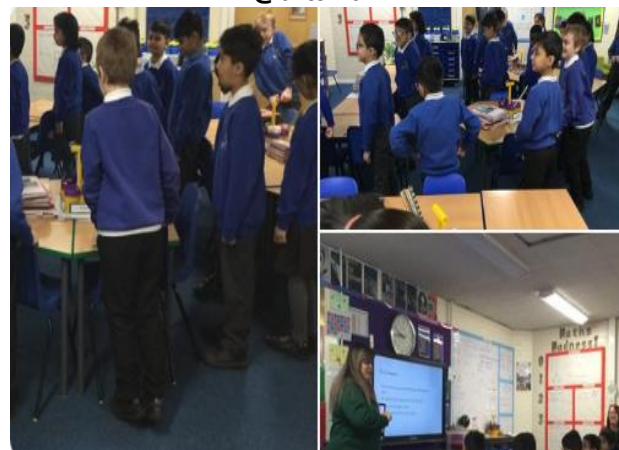

Head boy and head girl, along with last term's Wall of Excellence winner, were very excited to be given the opportunity to be a part of King Charles's visit to Bolton today to celebrate 150 years of #boltontownhall

Thank you to our volunteers so far for Careers Week. Year 2 loved learning about being a drafter and a musical theatre performer.

@artsmark

Year 2 enjoyed using metacognitive strategies today. We needed to use our knowledge of the world from last term to locate China on a world map using an atlas.

At the end of the week, Year 2 loved the career visit from the police, tennis coach and learning about being a musician

@Artsmarkaward

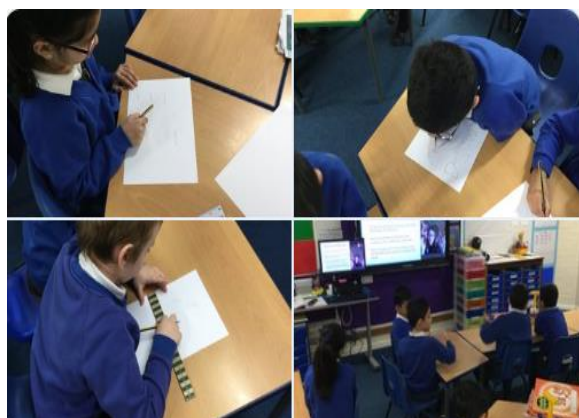

Photography club have enjoyed taking photographs around school to demonstrate, 'what is special about our school.' They have learnt photo editing skills and next week will be producing a photo collage
@Artsmarkaward

This morning, Year 2 used the rekenreks to show how to find the number bonds for the teen numbers.
@NCETM

Year 2 enjoyed listening to Sarah Ann Jukes talk about her novel The Night Animals. We created our own night animals with adjectives to describe.
@Waterstones

Reception had a great day for Metacognition day. We explored how and why we learn the way we do. Some of the questions were quite tricky for us to think about, but we reflected well on our learning.

Today Reception got to listen to the author Sarah Ann Jukes talk about her book, The Night Animals. We got to listen to an extract about the ghost fox. The Night Animals is Waterstones book of the month for January! 🦊

Year 6 acted out the journey of oxygenated and deoxygenated blood through the heart. Using drama was a great way of demonstrating their understanding of quite a complex process! @Artsmarkaward

A fantastic session from @boltonnhsft this morning in Year Three. We know what foods we should be eating and when, we also learned the correct way to brush our teeth and how to look after our teeth correctly.

What a fabulous time we had at the Headteacher Celebration Tea Party today!

Here we are all brushing our teeth.

Look at our great art work @Artsmarkaward

Year 6 have been loving their cricket sessions with @LancsCricketFDN. They have learned so many skills already and are improving each week.

In Bug Club Year Three have been reading texts linked to Volcanoes. What facts can they remember to share with you at home?

Year 4 have enjoyed reading and performing the poem, 'The coming of the Iron Man' by Brenda Williams. They have created their own kenning poems. Take a look at them in our fabulous class reading area @Artsmarkaward

Year 4 are 'loving' creating their collages for our whole school collaborative masterpiece. Watch out for the big reveal in February, when our art work will be on display in Bolton market place @artsmarkaward

Photography club enjoyed using pic collage on the iPads to create a collage of their photographs. They explored adding different backgrounds, text and presenting their work in frames @artsmarkaward

Today, Year 4 created visual notes and actions to help them remember the key events for a diary entry. The notes will be used to write diary entries from the perspective of Hogarth from The Iron Man @artsmarkaward #metacognition

Today, in Science, we learnt about the digestive system. It was a fun but very messy lesson indeed and one we certainly will remember! Ask your Y4 child to explain how the digestive system works and see what they can remember. #metacognition #STEMeducation

What a fantastic turnout we had for our first 'Book and a Brew' morning! It was lovely to see so many families sharing books together. We can't wait for the next one. #readingforpleasure @Artsmarkaward

Can you spot the tree pose, wood chopper pose, plank pose and stick pose from today's Yoga Club? It was Minecraft themed. We had a great time!
@artsmarkaward #mindfulness

Who can build the tallest tower? What happened when the cups fell down and things didn't quite go to plan? Did you pick yourself up and carry on? Did you find a new strategy to make it work?
@BrightLeadersUK

Wow Year Three, super skills being developed in our cricket session with @LancsCricketFDN
We are trying out different bowling techniques

We are potty about Ancient Greeks. Look at our pottery designs. We are looking forward to making Greek pots from clay then carefully adding these designs.
@artsmarkaward

Year 4 are enjoying watching the live Be Internet Legends show. They are learning about the legendary skills for being safe on the internet. Next up is the mission to explore internet land. Ask your child all about it.
#SaferInternetDay2023

Year 5 have enjoyed creating their individual collages for our whole school art project 'All you need is love' which will be displayed soon in the Market Place, Bolton.

For safer internet day, the children created their own raps to help them to remember the online safety rules.
@Artsmarkaward @safeinternetday #metacognition

Collaborative work with teachers across schools
@StThomas_CE sharing best practice.

Subject leaders sharing ideas and best practice
@StThomas_CE

Year Three watched the Princess of Wales launch
#childrensmentalhealthweek2023 on Monday. We
have enjoyed talking about how important connections
are for our mental health and wellbeing. Have a look at
our creative connections that we made this afternoon

Year Three know that making connections with our
friends, family and our emotions is very important for our
mental health and wellbeing
#childrensmentalhealthweek2023

Year 4 had great fun making Greek Urns out of clay.
They learnt lots of new skills and were very proud of
their end urns.

Reception's school trip to Bolton museum and Bolton library! 🏰 We had a great time, but our favourite part was travelling on the bus! 🚌

Year5 enjoyed a workshop at Sharples High school yesterday. They discovered different jobs within the Arts and loved hearing from animation editor @GaryBradbury as well as creating their own animations! @SharplesArt @Artsmarkaward

Year Three really enjoyed creating their pieces of art for the whole school project, we are looking forward to seeing how it all comes together. We talked about who we share our love with @Artsmarkaward

Year Three loving our lunch time Lego Club today. We have used problem solving, teamwork, communication and creativity @Artsmarkaward

Reception celebrated children's Mental Health week by exploring the theme 'Let's Connect' 🌐 We made a kindness web and talked about our loved ones ❤️

A huge thank you to all Reception parents who joined us for a Book and a Brew this morning. It was lovely having you in school reading with us.

Today Year 4 had great fun decorating their clay urns. They did a fantastic job.

We are so excited that our whole school art project 'All You Need is Love' is now on display in the Market Hall, Bolton! Please visit in the next two weeks and see our celebration of love within the Brownlow Fold and wider Bolton community @Artsmarkaward

Year Three are enjoying their Design Technology this afternoon. They are using their communication, resilience, teamwork and problem solving skills to create their own Egyptian board game @Artsmarkaward

Year 4 are very excited for a fun-filled day to celebrate World Book Day! 📖📖

Year 2 loved celebrating World Book Day. We came dressed as our favourite book characters. We enjoyed drawing characters from some books to retell the stories. Finally, we were very excited to go on our scavenger hunt to find clues to famous books.

Year 1 have had lots of fun celebrating World Book Day. We've dressed as our favourite characters, taken part in a masked reader challenge and been on a book hunt. If that wasn't enough, we've made some super character spoons which we are going to be sharing with year 4 later.

Year Three have really enjoyed their activities today to celebrate World Book Day. One of our favourite activities was trying to solve the clues outside on our book hunt🔍🌟

Children in nursery and reception have really loved celebrating World Book Day today! 📖

What a fantastic time Year Three have had! So many fun activities were included in our workshop. We used our history knowledge to create a time line, organised artefacts, filled Canopic jars after mummification and recalled facts for a quiz!

Year Three really enjoyed seeing our amazing artwork displayed in the Bolton Market hall this morning @Artsmarkaward

World Book Day
On Thursday, Year 5 enjoyed dressing up as lots of different book characters and joining in several activities connected to World Book Day.

We loved taking part in World Book Day 2023. The children took part in lots of different activities, such as story telling, story hunts, decorating wooden character spoons and identifying the masked reader. We even had a visit from the Big Bad Wolf himself!

@Artsmarkaward

@Artsmarkaward

Year Three have really enjoyed reading our Flat Stanley text, I wonder where he will go on his next adventure?

Thank you to our parents for the very positive written feedback about the art work. It's very clear that the children have learnt many new skills, understand the importance of sharing love within our community and have enjoyed creating this incredible piece of art.

How lovely to share these photographs of children, who have been to visit our wonderful art installation in Bolton. They are all so proud of their work. 'All we need is love' @artsmarkaward

The Year 1 girls have had a lovely time participating in the #girlsfootballday today. This was part of #InternationalWomensDay2023

Mr Collins and Mrs Roberts really enjoyed teaching football sessions to all of the girls at Brownlow Fold yesterday, as part of both International Women's Day and #LetGirlsPlay @bolton_sport

Exciting times at the Spring Fair organised by our wonderful PTFA!

Year Three and Year Four had a fantastic time on Wednesday developing their football skills #LetGirlsPlay

Year Three really enjoyed interviewing each other this morning as part of our Personal Development Day @Artsmarkaward

Year 4 have had an incredible day celebrating 'identity' for Personal Development Day. They were inspired by the work of Romero Britto to create 'pop art' self portraits and used symbols to signify who they are. @Artsmarkaward

Thank you to our wonderful parents for visiting our class art exhibitions and providing such fantastic feedback about your child's work.

Reception had a wonderful day celebrating our Personal Development Day! @Artsmarkaward

Year Three are all red for Comic Relief #ComicRelief

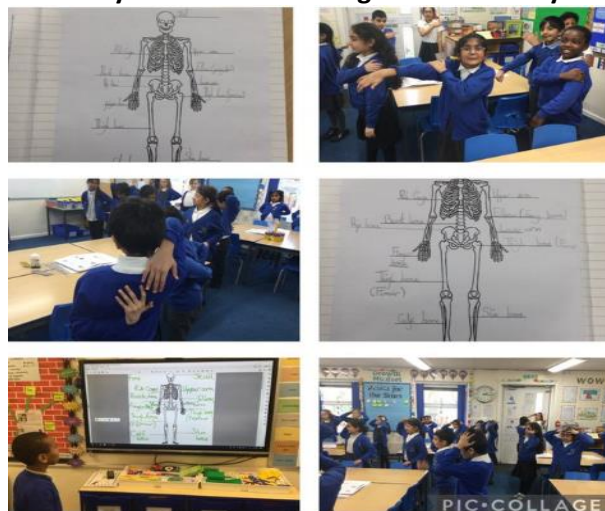

Year 1 looked fab in red today. Thank you for all your donations. #ComicRelief #RedNoseDay

Nursery have had a fantastic day for Comic Relief

Year Three have really enjoyed Science this afternoon. Do you the names of the bones in the human skeleton? Can they share their learning at home with you?

We were so proud to see our whole school art project featured in the Bolton News on Saturday. What a fantastic achievement! @Artsmarkaward

Today the Wall of Excellence winners enjoyed their celebration tea party with Mrs Cheung, well done everyone! 🍰🍷

Mrs Clarkson is ready to welcome Year 4 parents to the Times Table Check information meeting this morning.

This evening we have hosted the EYFS Spring moderation meeting. We had a fantastic gathering of 10 EYFS staff members from our cluster schools join us for a professional dialogue about communication and language. Thank you all for joining us today!

Year 5 had an amazing time yesterday meeting their linking school. All children in Year 5 had the opportunity to meet, play and learn with the Year 5 class at St Bartholomew's Primary School.

Drama club are getting to grips with their script. We are practising using expressive voices in preparation for our animation all about Internet safety.

@artsmarkaward

Del from, Delve into History, visited our class yesterday and we had a great time handling and learning about lots of artefacts from the past.

Year Three and Year Five have worked hard litter picking in our community this morning
#BigBagChallenge #LitterHeroes #GBSchoolClean

Brownlow Fold also want to say a huge thank you to local volunteer, Heather, who very kindly helped the children with their litter picking today 🙌

Year 4 had a very blustery morning collecting rubbish near school as part of Climate Responsibility Day.

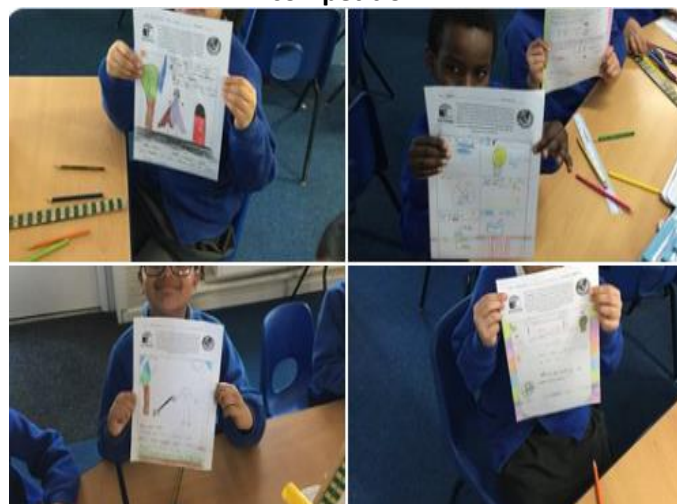

Year 1 did a fantastic job of clearing litter from our local community this afternoon #EcoSchools #BigBagChallenge #LitterHeroes #GBSchoolClean

Year Three are being very creative with their ideas for the Eco-code competition, I wonder what their new Eco codes will look like? #Ecoschools

Year 2 enjoyed creating their own Eco code to use in school. We can not wait to find out the results of the competition.

Congratulations to our Eco Code winners from KS1, LKS2 and UKS2. Take a look at their fantastic work! #EcoSchools

Year 2 did a fantastic job when they were litter picking. #BigBagChallenge #Litterheroes #GBSchoolClean #EcoSchools

Year Three have created a fab new Growth Mindset display. We have been thinking about what we want to achieve in the Summer Term @Artsmarkaward

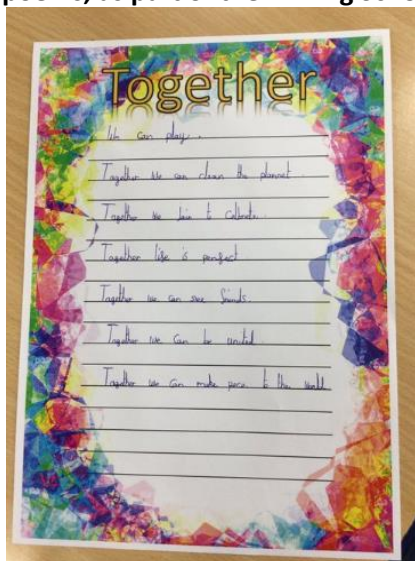

Year Three have really enjoyed studying the artist Hundertwasser this half term. They have created London Landmarks in his style, I think they look AMAZING @Artsmarkaward

Year 1 have had so much fun making their moving vehicles this week in design technology.

Year 5 loved welcoming St Bartholomews to Brownlow Fold on Tuesday, and worked collaboratively to construct 'Together' poems, as part of the Linking Schools Project.

Year 2 loved making vegetable fried rice as part of their DT project. The chopping and preparing was good, but not as good as the tasting!

What a fantastic way to end the half term. Year 2 loved their trip to Clitheroe Castle to learn about castles. We designed our own castle and we saw all of the features in real life!

Year Three are getting creative on the first day back and enjoying Doodle Club @Artsmarkaward

Year 1 have been observing and drawing different plants as part of our science learning this week #ScienceInAction

Year five loved working with Laura on Wednesday as part of their bright leader programme! @BrightLeadersUK

Year 2 were looking at different qualities a person needs to have a growth mindset. We are going to make a growth mindset potion.

This afternoon the children in Year 4 sang some wonderful songs and played their violas.

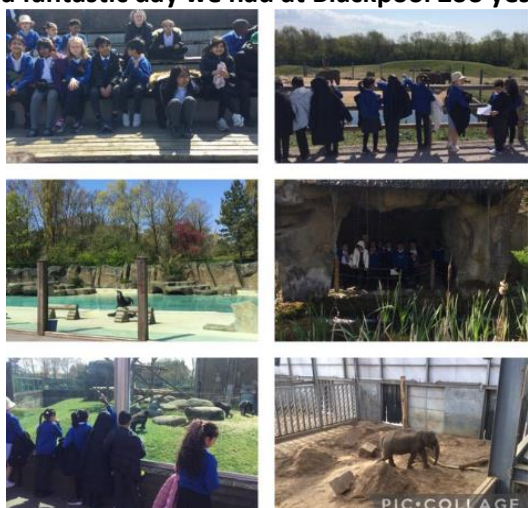

Year 5 has a great time yesterday at Bolton College. They took part in a sports workshop with their linking school - St Bartholomews

What a fantastic day Year Three have had today at Blackpool Zoo. What did we see.....

**Year Three, can you remember what the difference between a Seal and a Sea Lion is....
What a fantastic day we had at Blackpool Zoo yesterday**

EYFS love their new Buddy Bench! Thank you school council!

Year 4 are enjoying going on Times Table Rock Stars ready for the test in June.

**Year 2 loved their first cricket session with @LancsCricketFDN
we were learning how to catch the ball which some of us found very tricky!**

Year 1 have had a great time this afternoon taking part in a PE session with a cricket coach. They practiced their throwing and catching technique by playing lots of different games.

Reception have enjoyed playing with the blossom that has fallen from our cherry blossom trees. 🌸 We explored the flowers in close detail, learning new vocabulary and processes. We created a variety of artwork with the petals and flowers throughout the day too. 🌸

Year Three have enjoyed learning about local history this morning. What can they remember about Fred Dibnah to share at home?

EYFS have had such fun today with our visit from Bowland Mobile Farm! 🐎 🐑 🐔

Year 4 are ready for the King's Coronation! We can't wait to celebrate with our friends today

Year Three have enjoyed our crown competition this morning.
I wonder which one King Charles would prefer?

Year 1 have been creating collage silhouettes of His Majesty King Charles III to celebrate his coronation.

Reception have had a very royal day learning about the King and the coronation! GB👑

Year 5 have had a fun-filled day celebrating the King's Coronation. We have done lots of exciting activities in class GB👑

Year 1 are enjoying the sunshine this afternoon, drawing and naming different garden and wild plants as part of our science learning.

Year 2 created some amazing acrostic poems to celebrate the Coronation. They were dressed in their best royal attire- don't they look fantastic?

The nursery loved seeing all the animals from the farm.

The nursery children loved dressing up to celebrate the King's Coronation.

Year Three enjoying recalling their multiplication facts 🌟📖

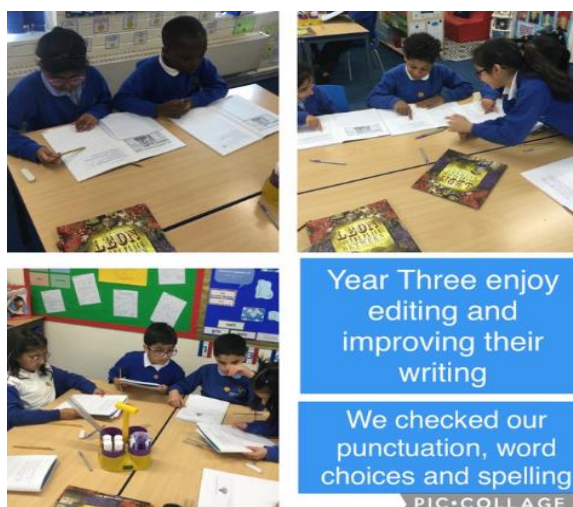

This afternoon Year 4 enjoyed researching endangered animals as part of their geography lesson.

Congratulations to year 6 for completing their SATS this week. You showed excellent resilience and hard work and we are all extremely proud of you

Have a look at our English in Year Three this morning

Year Three are enjoying our Doodle Club 😊🖍️
@Artsmarkaward

Well done to the Y5 and Y6 football team, who recently competed in the annual 6 a side football tournament held at Bolton School ⚽

As part of our learning about the book Superworm Reception have made their own wormery this week. We worked together to layer the soil and the sand as well as hunt for worms to put inside. Now we are observing the changes we can see inside the wormery!

Year 2 loved using 2sequence on Purple Mash to create a new version of Twinkle Twinkle and creating music that shows feelings.

As it has been Mental Health Awareness Week, Year 4 have been wearing green ribbons and sharing ideas about the activities they like to do if they are feeling anxious. The children all made chatter boxes linked with this.

Year Three enjoying their spelling starter this morning

Episode 4 of Brownlow Fold's podcast.

The pre-school nursery children have been reading Rosie's walk to support their understanding of prepositions like, under, over, behind, in, on and through.

Reception have loved learning about the life cycle of a sunflower this week. Today we planted our sunflowers and we will be taking them home to watch them grow!

Yesterday, Year 4 enjoyed an afternoon of sewing as part of their design technology project. The children loved having their parents in school to help them. We even had a visit from one of the school's governors, Mrs Berry.

For World Environment Day Year Three have been having very interesting discussions about which is best, to reuse or recycle and why? What do you think?

Busy back at Doodle Club in Year Three @Artsmarkaward

Year 2 completed various research this afternoon about all of the different products of Warburton. for some of us our research and computing skills were challenged but we persevered and found the answers independently

Brownlow Fold's very first Forest School session for some of our reception children today. 🌲 We had fun swinging in the hammock, making nature crowns, playing games and enjoying a snack made on the fire. We can't wait for next week's session!

Year 1 have been making the most of the sunshine by doing some reading and phonics activities outside this afternoon.

Year Three have loved our first rugby session with coach Mickie from @SaleSharksFdn. We learned some new skills which we are looking to improve next week

This morning, Year 4 had their very first rugby lesson with Micky from Sale Sharks. Everyone had a wonderful time and learnt many new skills.

Here is a copy of the letter you will receive tonight regarding our very exciting photography competition. We can't wait to see your entries 📷 @Artsmarkaward

As part of Healthy Eating Week, Year Three enjoyed revisiting our knowledge of food groups, balanced diets and enjoyed eating our healthy snack yesterday afternoon, yum!

Year Five loved performing parts of the Highwayman poem as part of their recent English topic.

Our talented parents loved their art workshop this morning. Take a look at their wonderful watercolour paintings of cakes. 😊🍰👩🍳🍰

This afternoon Year 4 had great fun creating fruit and vegetable faces inspired by Giuseppe Arcimboldo. They even got to taste lots of different salad items and fruits as part of Healthy Eating Week.

Year 1 have been tasting fruit this morning and then using our favourites to make our own ice lollies for #HealthyEating week.

Reception's second forest school session was fantastic this morning! Today we made our own wood slice necklaces, we built dens made from Willow and made delicious bananas which we roasted on the fire! 🍌🔥

It's a huge thumbs up from Y1 enjoying eating their fruit ice lollies!

Year 2 enjoyed a healthy alternative to ice cream this afternoon with frozen smoothies. We loved the strawberry and banana but the spinach and apple smoothie was not for all of us!

Year 6 enjoyed making their pneumatic toys today in D&T. They did a brilliant job.

Another fabulous morning with our creative parents. Take a look at their appliqué skills. We are so lucky that one of our lovely governors is helping to deliver these sewing sessions; sharing her expertise and resources. Thank you

😊🧵🧵 @Artsmarkaward

Year 1 are doing some super paired reading this morning in our phonics lesson.

Year 4 have been enjoying learning all about maps as part of their geography work. They can recognise lots of different Ordnance Survey symbols and locate features using 4 figure and 6 figure grid references.

This morning we buried our, King Charles III, time capsule in the community garden. Each class added something they had created to celebrate his coronation. We are wondering who might find it and when.

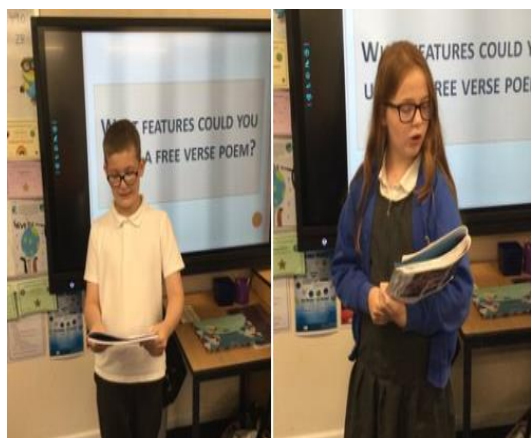

One of the Y4 pupils have set up their own origami club in school. The first session proved to be a real success

We had a wonderful time at the Headteacher tea party this morning.

Year 4 had a fabulous time this morning listening to and performing their own poems. Fantastic use of expression. Lots of amazing poetic features used too!

Wow! We are so proud of the children who have set up the weekly crocheting club and it's lovely to see how many children now attend. Your work is beautiful!

Reception have enjoyed learning about keeping our bodies healthy. We have learnt about the dentist and how to look after our teeth. We have explored what a balanced diet is and we will be making fruit kebabs to enjoy together tomorrow!

Year Three really enjoyed consolidating their knowledge from our Power Maths lessons and investigating 3D shape

Year 1 are enjoying their PE lesson this morning.

The children were very excited to see that our butterfly chrysalises had hatched and we had a net full of beautiful butterflies.

Year 6 had a brilliant visit to @BoltonSICT on Monday. They learned so much during their Robot Design Challenge and covered lots of DT and computer science objectives.

Year 6 did us proud with their excellent behaviour on their end of year trip to the Trafford Centre. After golf, Pizza Hut and Laser Quest, we were all shattered by the end of the day!

Year 2 had a fantastic time at Southport beach today! We had some lovely ice cream, flew kites and played in the sand.

Year Three self-assessing their division facts this afternoon

Nursery class would like to say a great big **THANK YOU** to year 2 for the lovely sea weed and shells for our rock pool.
We LOVE it.

For PSHE day, Year Three are enjoying expressing themselves and discussing how they make their hearts happy

Year Three loved the Squiggle game too!

Our finished class heart as part of our PSHE day,
What makes your heart happy year three?

Year 5 really enjoyed expressing themselves by completing the 'Squiggle game' as part of today's PSHE Day.

For PSHE day, the Year 4 children have enjoyed 'expressing themselves' through the art of dance.

Year 1 have enjoyed our PSHE lesson this afternoon thinking about our feelings and emotions.

Reception have had such a fantastic day at @hedgehogswoodl1 even in the rain! We made the most of the fire circle and shelter to enjoy making s'mores this afternoon!

On Monday Reception had their celebration morning with our parents. We shared our learning from throughout the year and made a wish for the year ahead in year 1!

It was great to have so many families come to join us for our Big Year 6 Quiz this afternoon. It was great fun and an excellent opportunity to retrieve our learning from the year.

Well done to all this terms wall of excellence winners! ✨What a fantastic morning we had at the Headteachers tea party! 🍰🍵

Wow Year Three, super sculptures inspired by Giacometti @Artsmarkaward

Today was the last arts session with our wonderful parents and we celebrated by decorating cakes. They've had the most amazing time over the last six weeks; learning an array of skills and meeting new friends. 🍰🎂
 ✍️ @Artsmarkaward @BrightLeadLaura

Congratulations to our amazing photography competition winners. Your photos really do show 'A splash of colour'. It was lovely seeing your proud, smiley faces when you received your canvases and certificates 📷 @Artsmarkaward

EYFS have worked together to produce a beautiful piece of art for our outdoor area. We are very proud of it!
